Personal Information

Phone: 0163-44 39 442

E-Mail: malbeek92@gmail.com

Address: Ruhrstraße 51, 45881 Gelsenkirchen

Geburtstag & -ort: 17.04.1992, Al-Hasakeh (Syrien)

Marital Status: In a civil partnership, 1 child (2021)

Professional Profile

Junior Software Developer with a focus on modern web applications and software solutions. Very good knowledge of JavaScript, TypeScript, React, Next.js, and Node.js, as well as experience in developing high-performance and user-friendly applications. Knowledge of relational databases (MySQL) and REST APIs, along with initial experience in full-stack projects using Java Spring Boot and PHP. Passionate about software development, new technologies, and the continuous optimization of applications. Possesses a structured working style, quick comprehension skills, and high motivation to develop complex software solutions within a team.

Projects

Software Development (Web/API)

- Developed a new, easier-to-use system accessible via web browsers.
- Managed file editing and modification capabilities.
- Implemented a PHP-based API on the company side with a MySQL database connection.

Booking System (Vehicle Booking)

- Developed a full-stack vehicle booking system with backend and frontend integration.
- Integrated REST API, validation, and booking management.

Photography Website

- Created a full-stack photography website featuring an admin CMS.
- Implemented CRUD APIs, authentication, and media management.

Cyber-Physical System

- Developed an embedded system for hardware-software integration.
- Implemented sensor control and communication between hardware and software.

Technical Skills

Programming Languages

Java, JavaScript, PHP, Basic Knowledge (Python, C#, C++)

Backend & Databases

REST APIs, MySQL, CRUD Applications, API Integration, OOP, Basic Knowledge (Laravel, MVC, .NET)

Frontend

HTML5, CSS3, React, Next.js, AJAX, Vue.js, Responsive Web Design, Bootstrap, Tailwind CSS, TypeScript, Basic Knowledge (Angular, jQuery)

Tools & Technologies

Git, GitHub, CI/CD, VS Code, XAMPP, Postman, Linux (LPIC-1 knowledge), WordPress (Basic knowledge, themes & CMS structures), JSON, CSV/XML data processing, basic understanding of reporting and data visualization, Adobe (Pr, Ps, Lr), Figma, Canva

Development Concepts

Client-server architecture, version control, agile collaboration, debugging, unit testing, software testing (foundations), implementation of modern UI/UX concepts focusing on user-friendliness, basic knowledge of Microsoft 365 / SharePoint (self-study)

AI Tools

GitHub Copilot, ChatGPT (for code generation, debugging, and optimization)

Work Experience

05.2024 – 11.2024 | Internship

Abakus Projektmanagement GmbH, Herne

04.2019 – 10.2024 | Photographer

Studio Photogramm, Gelsenkirchen

05.2013 – 08.2015 | Photographer

- Freelance / Self-employed: Photo Studio, Istanbul

03.2012 – 08.2015 | Tailoring

Womenswear, Istanbul

Education

02.2023 – 11.2025 | Damago GmbH, Essen

Retraining – IT Specialist for Software Development (Fachinformatiker für Anwendungsentwicklung)

01.2021 – 04.2022 | VHS, Gelsenkirchen

B2 German Language Course

07.2017 – 04.2018 | BTU University, Cottbus

- Mechatronics Preparation Course

06.2016 – 03.2017 | SBH, Cottbus

- B1 German Language Course

10.2011 – 08.2012 | University of Aleppo (Syrien)

- Bachelor's Studies in Electrical Engineering

09.2007 – 05.2011 | Al-Hasakeh (Syrien)

Technical High School Diploma in Electrical Engineering

Certificates

API Basics 4: Build a Personal Dashboard | 2025

IHK Degree / Certification: Application Development | 2025

LPIC-1: Linux | 2024

Telc B2 German | 2022

Telc B1 German | 2017

Language Skills

Arabic, Kurdish: Native speaker

German, English, Turkish: Fluent

Personal Interests & Miscellaneous

Hobbies: Playing football (soccer), reading books, watching movies

Mobility: Driver's license (Class B), own car
